Nancy,

I looked up our most recent submittal, a 2006 post-audit completion statement and checked the transmittal form. The owner is listed as:

Peter Jakola
Electronic Wire and Cable
15 Oak Hill Lane
Fitchburg, MA 01420

We also have an address that resembles the site address:

Electronic Wire and Cable
215 Cleghorn St
Fitchburg, MA 01420

And finally, in our own database we have this address for Mr. Jakola;

Peter Jakola
80 Mountain View Rd.
Leominster, MA 01453

The former owner, Georgia Pacific, was the party that submitted the post-audit completion statement and conducted remedial activities that resulted from a Notice of Noncompliance. You may want their address, too.

Scott Bailey
Field Service Manager
Georgia Pacific
133 Peachtree St NE
Atlanta, GA 30348

So, I hope these addresses are useful. Let me know if there's any other assistance I can provide.

Greg

I've received your letter recommending this site for archive, and I concur. I have requested that the archive be enacted asap (I await confirmation from our removal program that they have no ongoing interest in the site).

I would like to send a letter to the property owner informing them of

this status change. Can you provide current contact information?

Thanks
